H-1B Labor Condition Application: Required Posting

This notice serves to inform interested parties that the Massachusetts Institute of Technology submits applications for H-1B non-immigrants. MIT seeks one H-1B nonimmigrant for the position described below. In compliance with Department of Labor regulations, the Labor Condition Application is available for public inspection at MIT. Inquiries should be addressed to the International Scholars Office, E18-209. Complaints alleging misrepresentation of material facts in the labor condition application and/or failure to comply with the terms of the labor condition application may be filed with any office of the Wage and Hour Division of the United States Department of Labor.

Job Title/Occupational Classification: Research Scientist
SOC (ONET/OES) Occupation Title: 15-2021 Mathematicians
Wages Offered: $80,000 per year
Period of Employment: 07/01/2020 to 06/30/2022
Location of Employment: Department of Mathematics
MIT, Cambridge, MA

This notice is being posted at two conspicuous locations, remaining clearly visible and unobstructed, for a period of ten (10) business days on or within thirty (30) days before the date the Labor Condition Application is filed.

Posting locations: 77 Massachusetts Avenue, E18-209, Cambridge, MA 02139
3 April Lane, #31, Lexington, MA 02421

Note: The above posting locations are being used in order to comply with DOL requirements as well as MIT's COVID-19 related modifications to its operations.

Dates of Posting: 3/33/20 to 4/1/2020
